LIFE INSURANCE GIFTS

A gift of life insurance lets you support Plan International Canada in a meaningful way. By paying modest life insurance premiums today and naming Plan International Canada as a beneficiary, you can make an impactful gift demonstrating a just world.

Leaving a gift is as simple as assigning Plan International Canada as **the beneficiary of your own policy or the life insurance policy from an employer.** It's a straightforward way to make a lasting impact.

Your estate will receive a tax receipt equal to the direct benefit to Plan International Canada. This allows you to create your legacy and benefits your heirs through a significant tax reduction, making your gift even more impactful.

A second option is to purchase a new policy, name Plan International Canada as owner, and receive tax receipts during your lifetime for any premiums paid after the date of transfer.
